

# OWN IT 2017

OWN THE LIGHT

## ***Ice Breaker Questions***

- What was the high point of your past week?
- What was the low point of your past week?
- **If time allows:** [Ask a follow up question from the previous weeks study.]

## ***Key Questions***

- What's one idea from the OWN IT 2017 series that really stood out to you? Why did this grab your attention?
- The theme for our 21 Days of Prayer & Fasting and OWN IT 2017 was "Speak, we're listening". What do you feel God is speaking to you about 2017?
- What steps do you need to take to live out the things God may be speaking to you?

***Optional Questions*** – *If needed, include one or more of these scriptures and questions to extend your conversation.*

- Ps Blake shared research from Dr. Robert Putnam of Harvard that concluded, "It's better to eat Twinkies with friends, than broccoli alone". Their research concluded that socially isolated people are 3x more likely to die in the next 18 months. Why do you think a City Group like ours is so important?
- Ps Blake shared some stories from 2016 that highlighted God's grace and power. What was your personal highlight, or "God Moment", for 2016?
- Read Matthew 5:14-16 aloud. This is the verse God gave to Ps Blake when TheCity.church was first beginning. This verse calls us to shine our light for all to see. How are you currently shining your light to those around you? What are the "baskets" (anything that would stop you from shining your light) in your life?
- Read John 3:16 aloud. This verse shows us how God used giving to save the world. Why do you think giving and generosity are so powerful?
