Key Questions

- **Recap:** What's one spiritual truth from this weeks "At The Movies" that really stood out to you? Why did this grab your attention?
- **Big Idea:** *"Followers of Jesus live in the world, not of the world, for the world."* Is this any easy or difficult truth to live out? Why? Have you seen "Christians" get this wrong? What would happen in the world if we got this right?
- **Next Steps:** *"What will you do with what God has given you?"* Ps Blake gave three responses to Jesus prayer in John 17. Live sent (in the world). Live sanctified (not of the world). Live unified (for the world). Of these three steps, where do you have the most room for growth? Why? What steps do you hope to take to better use what God has given you to make a difference. (ie: Bring a friend to church, serve, give, commit to this group, etc.)

Optional Questions – *If needed, include one or more of these scriptures and questions to extend your conversation.*

- Read John 17:15-21 aloud. What sticks out to you most from this prayer?
- Read John 3:16 aloud. Jesus loved the world so much that He chose to lay his life down as a sacrifice. At the same time Jesus rejected the system of this world. What does it look like to love and accept people, while hating and rejecting the sin that hurts people?
- Jesus prayed that we would experience complete unity. Do you think complete unity possible in the world? Why or why not? How can our Group model unity for our city? How can we best serve one another this semester?
